

Benefits of Vanpooling

Vanpoolers enjoy a relaxing commute: reading the paper, catching a nap, or talking to new and old friends.

Furthermore, commuting by vanpool can save you thousands of dollars each year while contributing to a cleaner environment!

- Up to 57 complimentary hours of parking per quarter
- Complimentary sign-up for Zipcar, a car-share service provider that allows hourly car rentals including gas and insurance for only \$5.50/hour! Visit www.zipcar.com/ucsb
